Atlantic Cod

CHARACTERISTICS

Atlantic cod meat is mild and clean tasting and cooks up firm but flaky. Translucent when raw, cooked cod is a beautiful white.

FOR YOUR MENU

Of course we all love Cod in traditional dishes like fish-n-chips or fish chowder but it's amazing in all sorts of recipes - get creative with this tasty fish!

FOR YOUR WAITSTAFF

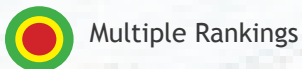

Of course we all love Cod in traditional dishes like fish-n-chips or fish chowder but it's amazing in all sorts of recipes - get creative with this tasty fish!

FOR YOUR RETAIL DISPLAY

Cod is an All-American favorite - so delicious and versatile - great baked or fried and also easy to add to a soup or stew.
