Australian Lobster Tails

CHARACTERISTICS

The meat of the Australian Spiny Lobsters tail is sweet and delicious, with a rich flavor. We carry several size options - check in with your Santa Monica Seafood Sales Representative to get the right size for your application.

FOR YOUR MENU

A luxurious add-on item, Australian Lobster Tails are a great surf-and-turf option. They are also delicious worked into recipes.

FOR YOUR WAITSTAFF

If you have a table that is celebrating, lobster tails are a great option! Everyone loves this luxurious and delicious treat...

FOR YOUR RETAIL DISPLAY

Lobster tails are a great feature item for holidays like Valentine's Day or New Year's Eve - make sure your customers know you carry them!
