CHILEAN ROCK CRAB MEAT

COOKED, READY TO EAT | CS = 12 X 1 LB. TRAYS

CRA353

WILD CAUGHT PRODUCT OF CHILE

This cooked and ready to enjoy Chilean Rock crab meat (*Metacarcinus edwardsii*) is packed fresh in a one pound tray that is perfect for portion control – simply thaw only what you need by the pound. The crab meat is pasteurized for enhanced food safety and vacuum sealed.

Chilean Rock crab meat is a great alternative to the higher priced Dungeness crab and can be incorporated into any recipe calling for Dungeness crab meat. Add it in crab cakes, pastas, salads, sushi, stuffed seafood, soups and or chowders – there are endless possibilities!

- All natural - no additives or preservatives just cooked crab meat.
- Higher ratio of claw and leg meat to shoulder meat.
- Best pack for quality control only needing to thaw out product one pound at a time.
- Lower water content than most other crab meat packs for better recovery.
- Pasteurized for enhanced food safety.
- Natural sweet briny flavor of the sea.
- Compliant with USDA's Country of Origin Labeling (COOL) requirements.
