

SANTA MONICA
SEAFOOD®
Family Owned Since 1939

Eel (Unagi)

Species Name:
Anguilla japonica

Sustainability Rating:

Red - Avoid

What:

Eels either collected from the wild and “ranching” or Wild Harvested

When:

Available Year-Round

Where:

China

How:

Wild Caught/Net

CHARACTERISTICS

We do carry frozen Unagi (barbecued eel) ready to use for sushi or other recipes. It's a tasty, savory treat.

FOR YOUR MENU

Unagi is a classic sushi option, though it can be incorporated into other menu items.

FOR YOUR WAITSTAFF

Unagi is a savory and delicious way to eat seafood - although some people may be put off at the thought of eel... they'll be pleasantly surprised!

FOR YOUR RETAIL DISPLAY

Check in with your Santa Monica Seafood Sales rep if you have customers in search of this product.
