## European Seabass

**Species Name:**  
Dicentrarchus labrax

### Sustainability Rating:

 Grey - Unranked

### What:

Also known as Mediterranean seabass or Branzino, this popular fish has been beloved in Mediterranean countries for centuries.

### When:

Available year-round

### Where:

Europe (Cyprus)

### How:

Farm Raised

### CHARACTERISTICS

Harvested to order, our European Seabass is a delicious fish that cooks up firm yet flaky. We generally stock a variety of sizes - 14 - 18 oz, 22 -28 oz. and 28 - 32 oz.

### FOR YOUR MENU

Perfect for whole fish preparations (try baking in salt) European Seabass is very versatile.

### FOR YOUR WAITSTAFF

Let your guests know this fish has been responsibly raised, with a focus on producing a high quality fish with minimal environmental impact.

### FOR YOUR RETAIL DISPLAY

Looking for a whole fish to display in your case? European Seabass is a perfect option.
