Fanny Bay Oysters

Species Name:
Crassostrea gigas

Sustainability Rating:

 Green - Best Choice

What:
Farm Raised Oysters from Canada

When:
Available year-round

Where:
Baynes Sound, British Columbia, Canada

How:
Farm Raised

CHARACTERISTICS

Harvested primarily in Baynes Sound, BC, Fanny Bays are one of the most popular Pacific oysters, and one of the larger ones that we stock; you'll love their light cucumber finish.

FOR YOUR MENU

Fanny Bays taste delicious raw, but work well in a variety of recipes.

FOR YOUR WAITSTAFF

Nutritious, delicious and sustainable - did you know that farmed oysters are rated GREEN (Best Choice) by Seafood Watch?

FOR YOUR RETAIL DISPLAY

Accent your oyster display with lemons, bottles of cocktail sauce and Tabasco. It doesn't hurt to have some oyster shucking knives available too - make it easy for your customers to get what they need!
