Lobster Tails (S. Australian)

CHARACTERISTICS

These cold water tails have a sweet, succulent flavor and good fat content which keeps them moist and delicious

FOR YOUR MENU

Add a delicious cod water Lobster Tail to a steak for a classic surf and turf, or broil, bake or grill these delicious tails and feature them on their own.

FOR YOUR WAITSTAFF

Have some guests celebrating a special occasion? Add a lobster tail!

FOR YOUR RETAIL DISPLAY

Valentine's Day, Christmas, New Year's Eve, Father's Day - these are all great times to feature lobster tails!
