## New Zealand Cockles

### CHARACTERISTICS

Cockles are a bit smaller than littlenecks (and some would say a bit more delicious...)

### FOR YOUR MENU

Cockles are a beautiful and delicious shellfish to add to your menu. Use like you would any clam. Pasta dishes, soups and stews, or other classic clam preparations

### FOR YOUR WAITSTAFF

Let your guests know that if they like clams, they will love cockles!

### FOR YOUR RETAIL DISPLAY

Looking for a unique shellfish with good shelf life for your case? Try some cockles!
