Red King Crab (*Paralithodes camtschaticus*) is truly the “king” of the crabs – with the biggest legs and the tastiest meat! Serve whole legs or work the delicious meat into a recipe. King Crab legs are available in a wide variety of sizes and styles – check in with your Santa Monica Seafood rep to get the perfect fit for your menu and budget.

King Crab legs are truly a celebration food – encourage you customer to splurge and enjoy this King of the Crabs! Plus, King crab meat is low in saturated fat and is a great source of vitamin B12, phosphorus, zinc, copper, and selenium!
