## Royal Red Shrimp

### CHARACTERISTICS

Royal Red Shrimp are deep dwelling shrimp. They live in colder water than other shrimp which gives them a sweet flavor and rich texture.

### FOR YOUR MENU

Royal Red Shrimp are a bit more delicate with softer flesh than other shrimp you may be working with - handle with care! They also will cook quickly - more quickly than other shrimp. Highlight their sweet, delicate flavor with light herbs and fresh citrus. Delicious hot or cold.

### FOR YOUR WAITSTAFF

Let your guests know that Royal Red Shrimp are different than other shrimp they have eaten - with a sweet and wonderful flavor. Pair them with a delicate and lively white wine.

### FOR YOUR RETAIL DISPLAY

Your customers will be drawn to the beautiful color of these shrimp (don't forget the Santa Monica Seafood cocktail sauce)!
