### What:

Kauai Shrimp™ are Pacific White Shrimp that are raised in pristine, well sourced, salt water and fed a high quality diet with NO chemicals or antibiotics ever used.

### When:

Available Year-Round

### Where:

Hawaii

### How:

Farm Raised

### CHARACTERISTICS

Hands down, this is the best shrimp you'll ever taste. Known for its sweet flavor, superior texture and stunning visual appeal, Kauai Shrimp™ is the preferred choice of Kauai's and Hawaii's top chefs.

Combine all this with Kekaha's sunny weather and West Kauai aloha, and you have simply the best shrimp you'll ever taste.

### FOR YOUR MENU

Keep the focus on the shrimp and feature it whole with the head on. Their amazing firm texture and sweet flavor will get customers coming back for more!

### FOR YOUR WAITSTAFF

So many positive things to share about this product! It's 98% Fat Free, NO preservatives, NO sulfites, NO growth hormones, NO antibiotics, 100% powered by renewable hydro electric power, low carbon footprint and well sourced.

### FOR YOUR RETAIL DISPLAY

If you have the chance to bring in some of these big, beautiful shrimp, jump on it! They're sure to grab customers attention!
