Traditionally handcrafted, thinly sliced and ready to eat! Our premium salmon is reared in the fast-flowing, clear, deep waters off the coast of Scotland where strong currents help to produce lean, healthy fish. Using a Traditional Family Recipe, each salmon is individually cured by hand with salt, brown sugar and fresh dill, delicately cold smoked over oak wood chippings and thinly sliced. Serve over a bagel or crackers with cream cheese and chives, chop up and add to omelets or create your own version of a BLTA.

**Ingredients:** Farm Raised Scottish Salmon, Salt, Brown Sugar, Dill, Peppercorns, Dried Red Peppers, Rapeseed Oil, Lemon & Natural Oakwood Smoke. **Contains Fish.**
