

RESPONSIBLE SOURCING PROGRAM

IN PARTNERSHIP WITH **FISHWISE**

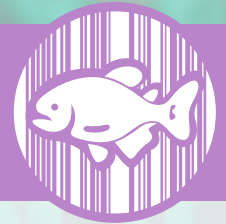

2018 THROUGH DECEMBER 2019 SNAPSHOTS

Ready Seafood Maine Lobster Research

Set **340** baby lobster collectors in Maine waters to determine settlement rates and future landings

Los Angeles Seafood Monitoring Project

Uses **DNA barcoding** to test fish mislabeling among Los Angeles seafood restaurants and processors

SFP Mexican Seafood Roundtable

Convened 4 largest US-based Mexican shrimp importers to implement a control document system to **prevent illegal shrimp laundering**

Labor Rights Promotion Network Fishing Worker Empowerment

Supported **600** workers in demanding remediation for unfair compensation and rescued **9** fishermen stranded on Indonesian islands due to human rights abuses at sea

Northwest Straits Derelict Fishing Gear Removal

Removed **400** lost crab and shrimp pots from Washington's Salish Sea and conducted Crabbing 101 workshops for **200+** people to improve gear practices

SFP Global Octopus Roundtable

Launched a **fishery improvement project** for octopus in Yucatan, with FIPs for Morocco and Mauritania in development

PIER Swordfish and White Seabass Research

Worked with the Pacific Fisheries Management Council to get PIER-designed **deep-set and linked buoy gear** officially authorized for the California commercial swordfish fishery in September 2019
