## CREATIVE KING SALMON

GUTTED | 8-12 POUNDS

# SAL105

FARM RAISED FROM BRITISH COLUMBIA

Creative King Salmon (*Oncorhynchus tshawytscha*) is Canada's only organic Chinook Salmon - a species native to the Pacific waters. This fish is farm raised and harvested from Tofino, British Columbia on the west coast of Vancouver Island.

The meat is firm with a consistent flavor profile. Since the farm is in complete control of their stock, from egg to harvest, they can ensure that the quality of their fish remains consistent and delicious every time.

- **First Salmon farming company in North America to achieve Canadian Organic Aquaculture Standard certification.**
- **Available year round**
- **No GMOs, growth hormones or antibiotics**
- **Natural source from FAO-compliant fisheries**
- **Low-density environment (more than twice the room for fish to move and grow than a conventional farm environment)**
