

JONAH CRAB COCKTAIL CLAWS CRA2006

SOURCE	ORIGIN	AVAILABILITY	SUSTAINABILITY RATING
Wild-caught / Frozen	Product of Canada	Year-round	

Jonah Crab is a species of crustacean found along the Atlantic Coast of North America and Canada. It is closely related to the Dungeness Crabs (*Cancer magister*).

This all-natural crab claw is simply delicious. Add the sweet and delicate meat in a refreshing crab salad, on top of a pasta dish, or serve the cocktail claws chilled for a great addition to a raw bar or seafood platter! Jonah Crab Claws are a great option for your customers who might be looking for a fun party option – don't forget the Santa Monica Seafood Cocktail Sauce!

Santa Monica Seafood carries Jonah Crab Cocktail Claws by the 20-pound case. Each case holds 10 2-pound bags. Contact your SMS Reps and place your orders today!
