Santa Monica Seafood is thrilled to introduce our delectable roll kits designed especially for you and your guests. With each kit serving four, you can now effortlessly satisfy your customers' seafood cravings.

Indulge in the succulent flavors of our lobster roll, snow crab roll, and shrimp roll kits, complete with fluffy brioche rolls, a tantalizing blend of spices or dressings, and a special butter that will take these creations to new heights. Plus, our kits are all made with MSC-certified seafood, which means that it has been caught using sustainable fishing practices that protect fish stocks and marine ecosystems. Remember, sustainable seafood also translates to increased marketability and price premiums.

Imagine delighting your patrons with these mouthwatering sandwiches without breaking a sweat in the kitchen. Everything you need is conveniently packed inside each kit! So why wait? Get in touch with your dedicated Santa Monica Seafood representative today to place your order and elevate your culinary offerings.
