BRAND: Newport International / Pacific Cove

SCIENTIFIC NAME:

PRODUCT TYPE: Fresh

Pacific Cove crab meat is known for its superior quality, outstanding flavor, and texture. It is a trusted brand in the industry and has earned strong customer loyalty.

Pacific Cove ensures consistent year-round availability of their crab meat. They use only live crabs and handpick them to ensure the highest quality. The crab meat is virtually shell-free and undergoes a HACCP-approved process, without any chemical or bleaching enhancements.

Pacific Cove is among the largest crab importers in the world, with a dozen processing facilities in Asia packaging their products. They stand behind the quality of their crab meat and offer support to their customers.

- 100% hand-picked using only live crabs
- Virtually shell-free
- HACCP approved
- No chemical or bleaching enhancements
